[00:02:59] you for your patience someone else that's on the committee and you're not

[00:03:51] sure if they've already indicated they were going to be absent and you could call them you can just raise your hand I'll come over and tell you whether and I know for sure they were coming or not or if they indicated they weren't and then we could start calling people to to let them know we're waiting
